WHAT ARE THE KINGDOM OF LIGHT TEACHINGS?

Awakening the Divine Consciousness in You

A WORKSHOP CONDUCTED BY AWARD-WINNING AUTHORS AND TEACHERS

BARBARA Y. MARTIN & DIMITRI MORAITIS

In this one-of-a-kind workshop, Barbara Y. Martin shares the source of the metaphysical knowledge she has been teaching for over 40 years – a tradition known as *The Kingdom of Light Teachings*. These teachings offer some of the freshest insight and inspiration to the ancient path of spiritual growth and enlightenment. They are a metaphysical interpretation of the universal Christ teachings designed to accommodate the blossoming in human consciousness. They complement the most ancient of all metaphysical studies – the Hermetic sciences.

Joining her is Dimitri Moraitis, executive director of Spiritual Arts Institute and trained as a Kingdom of Light teacher. Together they explore:

- ❖ The goal of all metaphysical study
- ❖ Why there has never been a better time to develop yourself spiritually than today
- ❖ How the aura field is your energetic blueprint to spiritual growth
- ❖ What the Christ consciousness is and how to strengthen this awareness in you
- ❖ Keys to accelerating your spiritual development
- ❖ How The Kingdom of Light Teachings complement other metaphysical practices
