Helping Souls Grow

DIRECT DIVINE LIGHT HEALING PROGRAM

Course syllabus

Prerequisite: Seven Spiritual Arts Training Program.

PROGRAM OBJECTIVES

For those who are committed to deepening their spiritual growth and to helping others heal, **The Direct Divine Light Healing Program™** is a two-year certification training that teaches you to master Direct Divine Light Healing™, full-spectrum aura therapy so you can be certified to empower others to heal and accelerate spiritual growth through your own direct connection to the Divine.

Healing is one of the greatest acts of divine service. In this advanced-level course, students learn the sacred art of spiritual healing. The course trains students in the techniques of administering Divine Light, and how to build up their own healing power to be able to facilitate the exhilarated healing currents. As students unfold their spiritual potential, they become certified Direct Divine Light healers.

By becoming a healer, students are being given a wonderful opportunity to accelerate their own spiritual development. Regardless if the goal is to become a professional spiritual healer, this course will take participants to greater spiritual heights and exhilarate their divine unfoldment. Ideal for doctors, holistic practitioners, massage therapists, and nurses who wish to enhance their healing skills, or for anyone who wishes to delve deeply into their spiritual nature. Program is offered by invitation only. Successfully completing the Seven Spiritual Arts Program is a prerequisite. A certificate is awarded on completion.

PART ONE – TRAINING

Course 1 – THE TECHNIQUES OF SPIRITUAL HEALING – PART 1

6 Sessions

This hands on course trains students in the practice of Direct Divine Light Healing. This simple yet highly effective healing practice will exhilarate all healing work. Students learn specific healing principles such as healing the nerve body and working with spirit-substance. For online students: *a partner is required during class and for assignments on which to practice techniques.*

Course 2 – THE TECHNIQUES OF SPIRITUAL HEALING – PART 2

6 Sessions

This course deepens the direct divine healing by including powerful tools to heal and strengthen the etheric and astral templates. The healing power of the mental etheric body is also explored. For online students: *a partner is required during class and for assignments on which to practice techniques.*

Course 3 – THE DYNAMICS OF THE DIVINE AND HUMAN AURA – PART 1

6 Sessions

This course explores the relationship of our Divine Spirit to our evolving soul and how the soul is the embryo of Spirit. Aspects of the divine aura are explored including the seven planes of creation and the celestial body. The goal of this course is to give students an even stronger connection to their source of evolutionary and healing power.

Course 4 – THE DYNAMICS OF THE DIVINE AND HUMAN AURA – PART 2

6 Sessions

This course delves into some of the most profound aspects of the human aura—the mental and causal templates. The course is designed to strengthen the healer’s aura and effectiveness with Divine light. .

Course 5 – DEVELOPING YOUR SPIRITUAL CHARACTER

6 Sessions

This course looks at one of the most intricate aspect of spiritual development: how to break through the personality ego—the persona of the incarnated self—and identify with the Individuality Ego, the real self that persists regardless of the personality veil worn. The goal of this course is to offer techniques to discipline the lower self and work more intimately with the higher nature in healing and spiritual development.

Course 6 – THE PRINCIPLES OF SPIRITUAL HEALING

6 Sessions

This course gives the foundation of spiritual healing with Divine Light. Students learn what it means to be a spiritual healer, its qualifications and requirements. The various types of healing are carefully explored including: Mental & emotional healing, soul & absentee healing, astral healing, and physical healing.

Course 7 – SPIRITUAL DISCERNMENT

6 Sessions

The goal of this course is to increase student’s spiritual perception so that they can better recognize valuable spiritual instruction from that what has little or no value, or that which is outright detrimental to spiritual growth. Not all spiritual practices are of equal value and discernment is an essential tool as a healer and spiritual aspirant.

Course 8 – CERIFICATION TRAINING

Weekend Workshop

This course covers practical areas of healing and guidance to better prepare you for healing work and dealing with recipients and clients. The relationship of mental and holistic practices as related to Direct Divine Light Healing is also covered in this course.

DIRECT DIVINE LIGHT HEALING CERTIFICATION

Completing the required courses is part of the process of becoming certified through Spiritual Arts Institute as a Direct Divine Light Healer. In addition, students are required to practice the healing techniques on volunteers to build up their healing power.

Candidates are also required to attend the SAI annual retreat for direct blessings and initiations. Throughout the training there are periodic teacher/student reviews to make sure candidates are on track for their certification. Teacher approval is required for final certification.

MAINTAINING HEALING CERTIFICATION

Being certified as a healer is a wonderful accomplishment. It means practitioners have made advancement in their spiritual work and developed practical tools that of great benefit to others. To maintain certification, practitioners are required to either continue their studies in the *Kingdom of Light Teacher Program* or attend the Spiritual Arts Institute yearly retreat.
